Spill Affects Wetland in Renville County

BISMARCK, N.D. – The North Dakota Department of Health (NDDoH) has been notified that 1.5 barrels of oil and 1 barrel of brine were spilled at a well site owned by Murex Petroleum 15 miles north of Mohall in Renville County. The waters of a nearby wetland were affected. NDDoH personnel have been on site and cleanup is underway.

For more information, contact Karl Rockeman, North Dakota Department of Health, at 701.328.5225.
